

Giuliana Chavez

Full Stack Web Developer

I am passionate about building innovative, efficient, and user-friendly web applications. My goal is to create software solutions that not only meet the needs of businesses and organizations but also provide seamless experiences for end-users. In my portfolio, you'll find a collection of projects that showcase my skills and expertise in front-end and back-end development, as well as my ability to work collaboratively in a team environment. From design to deployment, I strive to maintain the highest level of professionalism, quality, and attention to detail in all of my work.

Experience

○ 2013 - to present

ECCC 1 - PISD

Teacher

- Develop and implement age-appropriate lesson plans and activities for preschool children.
- Foster a positive and nurturing learning environment that promotes social, emotional, and cognitive development.
- Effectively communicate with parents and guardians regarding their child's progress and development.
- Collaborate with colleagues to create a comprehensive curriculum that meets the needs of diverse learners.

○ 2010 - 2013

Precious Beginnings Montessori

Preschool Teacher

- Prepared and maintained a Montessori environment for 3 to 5 years old children. Planned and presented individual and group lessons based on observation of children's needs.
- Initiated a creative instruction program that was acknowledged by parents as well as colleagues.
- Kept careful records of each child's progress and maintained consistent communication with parents. Prepared progress reports to track student progress.

○ 2007 - 2010

Adidas

Retail Assistant Manager

- Assisted the store manager in overseeing daily operations, including inventory management, visual merchandising, and customer service.
- Trained and mentored a team of sales associates to deliver exceptional customer experiences and achieve sales targets.
- Monitored sales performance and implemented strategies to increase store profitability.
- Collaborated with the marketing department to plan and execute promotional events and campaigns.
- Maintained a high level of product knowledge to provide accurate information and advice to customers.
